NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals [illegible] the United States

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER, of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
MASTER Officer.

Sworn to before me this 19 day of Nov, 1923

at New York

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not careless as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under this heading if England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be his last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1903, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, C. M. Jensen, Surgeon of the BERGENSFJORD, OWNED BY OWNERS THEREOF, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)
solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

C. M. Jensen

Sworn to before me this 19 day of Nov, 19 25

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to it after a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jensen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, do
(State whether Surgeon "sailing thereon" or "employed by owners thereof" as the case may be.)
solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities
of Christiania and New York, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, "coal engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel worker, iron worker, wood turner, etc., and not simply as engineer, polisher, worker, farmer, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Strokes or ditto marks should not be used in this column, and corrections should be made, if necessary, by inspectors and residents only during the process of examination of aliens.

Column 8 (*Able to read and write*).—This column is self-explanatory and contains the following question: "Read what language or dialect?" If exemption is claimed, state what ground. In answering this question the literacy or illiteracy of each alien is to be determined. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and nationality should be carefully ascertained by inspectors and reentry cards in this regard. For instance, "France" appearing under the head of country does not mean "French," by race or people, and similarly, "French" appearing under this head as race or people does not mean "France" for country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their dependencies, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries), should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A sojourn of an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of method of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of nationality, residence, country of birth, language, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and who are returning from a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, or the country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by which passage was paid, as "self," husband, father, "Cohen," another relative (friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give, in each case (individual or family), the exact amount in possession. Money brought by the head of a family should not be distributed among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year for period of years) and place, as, 1903, New Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 37.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors of boards in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, do

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of lengthof actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The passage in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The word should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged 10 years or over. Clerks, laborers, servants, etc., should not be considered sufficient unless followed by the character of clerkship, service, or labor, as "bank clerk," "errand boy," "coal heaver," "servant girl," "cook," "waiter," "porter," etc., and not simply as "clerk," "laborer," "servant," etc., unless followed by explanatory words.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, either for wages or on shares.

Stockraising, cotton planting, etc., should be considered farming, and persons so engaged should be classified as farmers or farm laborers, according to whether they operate the farm for themselves or work on it for others.

Column 8 (*Able to read and write*).—Every person 14 years of age and over, including the head of a family, should be questioned as to ability to read and write, and the answer should be recorded accordingly. If unable to read and write, the fact should be recorded, even though the person can speak and understand the English language or some other language.

"Read what language [or if exempted, why not]" should be interpreted, when applied to the ability of an alien to read, to mean "Read what language [or if exempted, why not] the alien is able to read should be stated." In answering this question the word "English" should not be inserted unless the alien can read English. If alien is unable to read and if any exemption from the reading requirement applies, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race as nearly as possible as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of final destination should be entered as countries, not as races. Thus, "Scotch," "English," "French," "German," "Russian," "Polish," "Hebrew," and "Negro" are not countries, and should not be entered as such. Persons of these races may be natives of Scotland, England, France, Germany, Russia, Poland, Palestine, Africa, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and other mountainous, watershed territory in Italy, whose people speak a dialect distinctive the Italian laborunit.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Aliens of any age having had a home at which they lived for one year should consider that place their permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be considered their permanent residence, regardless of length of actual residence thereon. The purpose of such aliens in leaving the country and the length of their actual residence thereon. The purpose of such aliens in leaving the country and the length of their actual residence thereon. The purpose of such aliens in leaving the country and the length of their

AFFIDAVIT OF SURGEON

I, M. Jensen, Surgeon of the BERGENSFJORD, UTFL. BY OWNERS THEREOF, (State whether Surgeon sailing with the vessel or employed by owners thereof, or the contrary, &c.) do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____ (State whether Master, First, or Second Officer) of the _____, from _____, do solemnly, sincerely, and truly _____ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the actual occupation, trade, or profession of each alien arriving, as for example: Civil engineer, mechanical engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.; and not merely as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Should an immigrant avoid make this decision on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is to be marked to meet the following question: "Read what language (or dialect)?" In answering this question, if the alien is able to read and write any language or dialect the alien is able to read should be stated. If the alien is unable to read and write, the fact should be shown. If exempted from the reading requirement, the second and the sixth exempt classes should be shown.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth. Inspectors should be carefully trained by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people properly come under the heading of England, Scotland, or any other country. In this connection the following instructions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people but Negroes.

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia) and those who are native to the Republic of San Marino, Switzerland, Dalmatia, or any other country, should be returned as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those who are native to Malta should be returned as "Italian (south)."

Column 11 (*Last permanent residence*).—Each alien should be questioned with reference to his last permanent residence. The entries should show the country in which such residence was established. It is important, or in some cases essential, that the entry show the country and city or town of last permanent residence. It is important, also, that it should show the country and city or town of last permanent residence only for the purpose of showing the statistical purpose that distributing authorities desire to show countries of last permanent residence independent of nativity of temporary residence. Entries of aliens who are permanent residents of the United States and are returning from a visit abroad should be entered "United States."

Column 12 (*Name and complete address of relative*).—If such alien has a relative in the country whence he came, the entry should give name and address of such relative. If no such relative is living, some other friend should be named.

Column 13 (*Final destination*).—The answer to this question should be the city or town of intended future residence of such alien, and not merely the State or country of intended future residence. The City should be stated even though the place is a small village or hamlet. Any intended future permanent residence, if within the United States, should show not only the place to which but the State in which such place is situated. If such intended future residence is outside the United States, country in which such place is situated should be shown.

Column 14 (*Whether having a ticket to said final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*Alien whose passage was paid by*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much*).—Each alien should give in each case the amount of money in his possession. If any brought by the head of a family should be considered as such, the entry should be "Head of family." If any brought by the head of a family should not be classified as the second person in the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year or period of years, and place, as 1903–1907, Philadelphia.

Column 18 (*Whether coming to join a relative or friend and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self-explanatory and the answers like all others on the sheet are subject to rejection by inspectors or others in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, ... M. Jensen ..., Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, do
(State whether Surgeon acting therewith or employed by owners thereof, as the case may be)
solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities
of Christiania and New York, and that I have made a personal examination of

to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

(Signature and title of immigration or other officer authorized to administer oaths)

If the vessel sails with the surgeon aboard, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If the surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock in blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... MASTER ....., of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

..... MASTER ..... Officer.

Sworn to before me this 19 day of Nov, 19 23

at New York

..... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, a good engineer, shoemaker, mechanic, laborer, miner, farmer, servant, tailor, painter, baker, blacksmith, weaver, carpenter, mason, clerk, etc., and not simply as engineer, shoemaker, mechanic, laborer, miner, farmer, servant, tailor, painter, baker, blacksmith, weaver, carpenter, mason, clerk, etc., and not simply as engineer, shoemaker, mechanic, painter, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or operator of it.

Steamship companies should make their lists to show the occupations and correct ones should be made, if necessary, by immigrant inspectors before the examination and certification of aliens are completed.

Column 8 (*Can to read and write*).—The entry should be either Yes or No.

"Read what language [or, if exempt as an educated person, what] question."—In answering this question the language or dialect in which the alien is able to read should be stated. If alien is unable to read and is exempt from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, and not.

Special attention is called to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, questions should be separately answered by proper entries in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may have equally proper entries under the heading of England, Scotland, or any other country. In this connection the following directions should be especially observed.

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, who has emigrated to Cuba or other islands of the West Indies, South or South American Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and place themselves, whether residing in Italy, continental Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A period of not less than one year should constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more (other than temporary residence for a visit of less than one year) should be considered his last permanent residence. The mere fact that an alien has been in a country for a year or more does not necessarily show country of last permanent residence. It is important for statistical purposes that all persons who come to the United States should show country of last permanent residence. If alien has resided in more than one country for a year or more, the country in which he resided last should be given. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country if outside the United States.

Column 13 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, Steamship company, etc.

Column 17 (*If alien in possession of $50 and if not, how much*).—The entry should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be recorded against the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894, 1906, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 53.—These questions are self-explanatory and the answers, like all others on the sheet are supplied by residents by the steamship officers in the case of intending aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, (State whether Surgeon sailing therewith or employed by owners thereof, as the case may be) do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 19 day of Nov, 1923

Asst

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male, or F (female.

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*last permanent residence*).—A stated or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of all aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1893, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, [illegible] BY OWNERS THEREOF, (State whether "surgeon" sailing therewith or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

M. Jenssen

Sworn to before me this 19 day of Nov, 1923

[signature]

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A decision should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 9 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, a "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race should present passport, come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African race should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and the descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A stated or an intended residence of one year shall constitute permanent residence. The last country to which alien resided with the intention of remaining one year or more shall be the last permanent residence notwithstanding length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended basis of permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If better having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 (or), Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jensen, Surgeon of the BERGENSFJORD (EMPL. BY OWNERS THEREOF), (State whether Surgeon sailing thereon or employed by .....) do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

23

M. Jensen

Sworn to before me this 19 day of Feb, 1923

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Arisuania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, wood polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this same distinction in their lists and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien passengers.

Column 8 (*Able to read and write*).—This column is intended and contains the following question: "Read what language or dialect the alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and inaccuracies should be constantly noticed by inspectors and registry clerks as they occur. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" as a country. An Irish, German, or Hebrew alien by race must be placed properly as such under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, if country, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual origin or intended residence of one year should constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*If holder bearing a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if less than $50*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*If ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1897, Philadelphia.

Column 19 (*If coming to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, [FIL. BY OWNERS THEREOF], do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country to which aliens resided with the intention of remaining one year or more should be the last permanent residence recorded, regardless of length of actual residence thereon. The entries in column 11 should show the country and city, or town, of last permanent residence thereon. The entries should not be that steamship companies are usually obliged to make in order to secure passage, but should show country of last permanent residence of aliens who are permanent residents of the United States and country of temporary residence, country of birth, nationality, or race.

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, head, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, Yes; Philadelphia, Pa.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers at the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Numerals or ciphers should not be used. Abbreviations and corrections should be made, if necessary, by interpolation and canceling entries, and using the personal examination of aliens as a guide.

Column 8 (Able to read and write).—The column is subdivided and contains the following question: "Read what language, if examined on it?" (second) "Write what language?" In answering this question the answer "Yes" will be entered if the alien is able to read and write the language in which he is examined. The name or title of the language in which the alien is able to read and examined from the alien's statement, the ground for such conclusion should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Should a foreign country become divided, or its name changed, the name by which it is known at the time of the alien's departure should be used

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is sub-divided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed for improper race and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the heads of race or people does not mean "France" for country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intentment remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid (as self, husband, father, mother, or other relative, friend, steamship company, etc.).

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be classed against the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ____ MASTER ____, of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Number in party*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—This entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Coal engineer, stationary engineer, boilermaker, machinist, miner, mining engineer, house painter, stone cutter, mason, wood turner, etc., and not simply as laborer, engineer, mechanic, farmer, merchant, or gentleman.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the land owner or tenant.

Persons of no occupation should be entered as such, and not as laborers.

Column 8 (*Can read*).—This column is to be used to record the ability or inability of aliens to read, if necessary; but persons not required by the instructions to read shall not be entered as illiterate because of their inability to read.

Column 9 (*Can write*).—This column is to be used to record the ability or inability of aliens to write, if necessary; but persons not required by the instructions to write shall not be entered as unable to write because of their inability to write.

Column 10 (*Can both read and write*).—Read what language (or dialect), giving what preference. If answering "No" to question 9, "Can write," the question whether the alien can read or not should be asked and recorded. If the alien is unable to read, the entry should be "Cannot read." If the alien is able to read, the entry should be the name of the language, country, or people in which he can read, as "Can read English," "Can read Hebrew," "Can read Arabic," etc. Persons who can read but not write should be returned as "Can read ——, cannot write."

Column 11 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 12 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the races as specified in said list.

The distinction should be made by the instructions between race and the country of which a person is a native, country of last permanent residence, and country to which he belongs as a citizen or subject. For instance, a native of Germany, but of Polish race, should be returned as a German, Polish, Hebrew, Bohemian, or Slovak, as the case may be, and not as a native of Poland, Austria, Austria-Hungary, Russia, or Germany. A native of Scotland, but of Irish race, should be returned as Irish, and not as Scotch, English, or Great Britain. A native of Italy, but of Hebrew race, should be returned as Hebrew, and not as Italian. A native of Spain, but of Hebrew race, should be returned as Hebrew, and not as Spanish. A native of Portugal, but of Hebrew race, should be returned as Hebrew, and not as Portuguese. A native of Russia, but of Hebrew race, should be returned as Hebrew, and not as Russian. A native of Sweden, but of Hebrew race, should be returned as Hebrew, and not as Swedish. A native of Norway, but of Hebrew race, should be returned as Hebrew, and not as Norwegian. NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aboved, as for example: Clerk, accountant, dressmaker, engineer, lawyer, minister, physician, musician, laborer, shoemaker, tailor, seamstress, wood turner, etc.; and not simply as "laborer," "tailor," "seamstress," "wood turner," or other terms of indefinite description.

A clear distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for a share of the product or for wages.

Steamship companies should exercise due diligence that all the necessary and correct information be made, if necessary, by competent and ordinary intelligent persons employed for the purpose of examination of aliens applying for passage.

Column 8 (*Able to read and write*).—The answer is to be limited and covering the following question: "Read a text in language [if examination is conducted orally what prepared]." An affirmative to this question (the answer is of course this alien is able to read, although he may not be able to write. If alien is unable to read and claims to be able to read the required language, the ground for such examination should be given.

Column 9 (*Nationality*).—Question is asked to be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race, people, or kindred of each alien.

Especial attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and nationality of race and residence should be carefully noted in connection with answers to this column. For instance, "Turkey" appearing under the head of "country of last permanent residence" may mean a Turk or possibly and probably a Greek, Armenian, Syrian, or Hebrew. Again, "Russia" appearing under the head of "nationality" should not mean "Russian," because many people of Polish, Finnish, Lithuanian, Hebrew, or other race or people are subjects of Russia. "Austria" is another illustration. An Italian, German, or Hebrew alien may have resided previously in Austria-Hungary, but is entirely distinguished, of any other country. In this connection the following considerations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, Brazil, Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be described under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Several years ago the custom of the steamship companies was to give the permanent residence of aliens as the country from which they came to the United States. This was not correct as far as it went, but it did not go far enough. The address of the permanent residence, that is, the country, city, or town in which the alien has lived and has his home, should be given. It is important for statistical purposes that the emigration authorities at the ports of departure should have the correct information of the country of last permanent residence. Intending emigrants frequently leave their homes in one country and proceed to another country, remaining there for a longer or shorter period, sometimes for years, before coming to the United States. Such persons usually declare the country in which they have resided as the country of their last permanent residence, and unless the immigrant inspector is informed to the contrary, the alien will be admitted as coming from the country of last permanent residence. The following illustrations will show the importance of securing the correct information:

Germans who have resided in France for many years frequently claim France as the country of last permanent residence. Immigrants who have resided in Belgium for a short time only frequently claim Belgium as the country of last permanent residence. Many Hebrews who have resided in Austria-Hungary, Germany, Russia, Roumania, or Turkey claim England as the country of last permanent residence. Many Italians who have resided in Switzerland, Austria-Hungary, Germany, France, or Belgium claim one of these countries as the country of last permanent residence.

Citizens of the United States, and aliens who are lawful permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and full address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, sister, employer, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case the total of all money, the exact amount of money shown. Money brought by the head of a family should not be included in the amounts brought by members of the family.

Column 18 (*Whether ever before in U. S., and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as "1910–1920, Philadelphia."

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show what person, if any, to join her husband or a friend, and if so, what relative or friend, with name and complete address.

Columns 20–25.—These questions are self-explanatory and the answers (like all others on the sheet) are subject to rejection by immigrant officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for special government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of every alien, even of the youngest child, whether actually employed, or assisting relatives in any capacity, being profitable, or not. Such terms as "laborer," "servant," "engineer," "farmer," "clerk," and "merchant" are indefinite and unsatisfactory, and should be avoided. Where the person has an occupation, even though a simple one, it should be entered.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer includes every person who operates a farm, either for himself or for others.

A farm laborer includes every person working on a farm for the good of the community.

Several occupations should be entered where the alien has been employed at more than one, and corrections should be made, if necessary, by the surgeon and examiner, of any wrong description of former occupations.

Column 8 (*Able to read and write*).—This column should be answered after examining the following question in column 9 ("Nationality"). If the answer to that question is "Negro," "Chinese," "Japanese," "Korean," "East Indian," "Syrian," or "Turkish," the answer in column 8 should be "No." In answering this question the examiner or clerk who asks it must be satisfied that the applicant can read and write some language, but the language need not be English. He may be unable to read and write English, and yet be entitled to a "Yes" answer. The applicant's own statement should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. The practice of late governments has been and continues to be to record persons born in Ireland as "British," persons born in Bohemia as "Austrian," persons born in Scotland as "British," persons born in Germany as "German," etc. This practice, according to the best authorities, does not conform to the facts. For instance, persons appearing under the head of "British" may be Welsh, Scotch, Irish, English, Canadian (not French), Australian, New Zealander, Hindu, Negro, etc., and persons appearing under the head of "German" may be Bohemian, Polish, Hebrew, Russian, Finn, Lithuanian, Croatian, Slovak, Dalmatian, Ruthenian, Magyar, Roumanian, Saxon, Bavarian, Alsatian, Swiss, etc. Entries of this character are not sufficiently definite. The race or people should be determined by birth, parentage, and language, as well as by nationality. Every effort should be made to ascertain the true racial classification, and the correct entry should be made in column 10. Thus, persons born in Ireland may be Irish, Scotch, Welsh, English, etc.; persons born in Germany may be Germans, Hebrews, Poles, Bohemians, etc.; persons born in Hungary may be Hungarians, Croatians, Slovaks, Ruthenians (Russniaks), Magyars, Germans, Jews, etc.; persons born in Turkey may be Turks, Armenians, Greeks, Syrians, Hebrews, etc. Specific races or peoples should be given wherever possible.

The following additional information regarding certain races or peoples is furnished for the assistance of officials in determining the races to which certain aliens belong:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro, subject to admixture from Cuban or other islands of the West Indies, South or South American descent, or Negro. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and other descendants whether speaking the Italian, Ladin, Romansch, or any other dialect or patois commonly classed for present purposes as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po; i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants whether speaking the Italian, Sicilian, Sardinian, or any other dialect of the Italian language.

Column 11 (*Last permanent residence*).—A foreign or non-permanent residence of less than one year should not be considered as a permanent residence. The last permanent residence of an alien who has been in the United States and has gone abroad temporarily should be entered as the United States, even though the alien has been absent for many years. In answering this question, aliens who state that they have been naturalized should be required to produce their certificates of naturalization, and the date, place, and court of naturalization should be entered in the manifest. If the certificate is not produced, the fact should be noted in the manifest. If the alien claims to have derived citizenship through the naturalization of parents, the facts should be carefully noted, and the certificate of naturalization of parents required, if possible. If the alien claims to have lost citizenship through residence abroad, the country of last permanent residence should be entered. If the alien claims to have resided abroad for the purpose of escaping military service, the fact should be noted. Declarations of intention are not sufficient evidence of naturalization or of claim to citizenship, and should be so noted.

Column 12 (*Final destination*).—The answer in this column should show the intended future residence. An intended residence of one year or more constitutes permanent residence. Aliens should state their final destination, if known, even though they intend to pass through intermediate points. Aliens should state the State, not the city or town, of intended future permanent residence. If aliens intend to return to the United States, answer "Returning to United States."

Column 13 (*Is going to join a relative or friend, and if so, what relative or friend, and name and complete address of such relative or friend*).—The answer should be either Yes or No. If the answer is "Yes," the name and complete address of the relative or friend should be given.

Column 14 (*Ever in prison, etc.*).—The answer to this question should show whether the alien has been in prison or in almshouse or asylum, or supported by charity, or a professional beggar, or polygamist, or an anarchist, or a person believing in or advocating the overthrow by force or violence of the Government of the United States, or of all forms of law, or the assassination of public officials, or advocating or teaching the unlawful destruction of property, or a believer in or advocate of the practice of polygamy, or a member of or affiliated with any organization entertaining a belief in, teaching, or advocating the overthrow by force or violence of the Government of the United States, or of all forms of law, or the assassination of public officials, or the unlawful destruction of property.

Column 15 (*Money in possession*).—Money brought by the head of a family should be stated in the amount in possession of the family.

Column 16 (*Ever in the United States before? and if so, when and where?*).—The answer should show whether or not the alien has been in the United States before, and if so, the year (or period of years) and place (city or town and State).

Column 17 (*Whether going to join relatives or friends and if so, what relatives or friends*).—The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Columns 20 to 23.—These questions refer to passengers and the answers, like all others on the sheet, are subject to revision by inspectors at and in the examination of aliens. However, in answering question 20, if aliens have been admitted within one year last past the Secretary of Labor has authorized them to reapply for admission, the necessity for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jenssen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THERE, do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

I, MASTER (Whether Master, First or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language, or, if exemption is claimed, upon what ground?" In answering this question the language or the fact the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully read by inspectors and registry clerks in this regard. For instance, "French" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien (as the case might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The address in column 11 should show the country and city or town of last permanent residence. If in answering the statistical purposes that steamship companies accurately show country of last permanent residence independent of nativity or temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual possession of the sum of money, if in excess of $50. Money brought by the head of a family should not be classed among the personal possessions of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not the answer No, in the United States before, and if so, the year or period of years and place, as 1903, New York; 1907, Philadelphia.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors or officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or who is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or which teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... MASTER ..... (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

..... MASTER Officer.

Sworn to before me this 19 day of Nov, 19 13

..... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged 10 or more, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass molder, steel molder, iron molder, wood turner, etc., and not simply as engineer, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockdrivers coming to the coast under the Transcontinental Treaties, and corrections should be made, if necessary, by inspectors acting in their places during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—The question should read and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a person is a subject. Country of last permanent residence and country of birth should be carefully ascertained by inspectors and properly entered on the lines. For instance, "France" appearing under the head of nationality and "Basque" under that of race or people, would indicate that the alien belonged to the Basque race or people in the northern portion of France. Likewise, "Germany" and "Bohemian," "Scotch, German, or Hebrew" as the case might be, would indicate persons of the Bohemian or Hebrew race, Scotch-German, or Hebrew race by birth, but nationality German, and so forth. Persons born in Switzerland, or any other country, in this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or descendant from Cuban or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, wherever residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect and the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Aliens of an admitted residence of one year should consider permanent residence. The last residence in which alien resided with the intention of remaining one year or more should be the last permanent residence, regardless of length of actual residence thereat. The residence in Cuba, Mexico, or the United States should not be entered as last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of accuracy of information regarding country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. As intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No, as the fact.

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, friend (name), from U. steamship company, etc.

Column 16 (*Whether in possession of $50, and if less how much*).—The answer should give in each case definitely and literally the exact amount, if any, shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1907, New Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show who (by name) is to join or meet a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These columns are self-explanatory and the answers should, otherwise, therein are subject to revision by inspection officers in the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

List

States, or a port of another insular possession, in whatsoever class they travel, MUST be fully listed and the master or commanding officer of each vessel carrying such passengers must upon arrival deliver lists thereof to the immigrant inspector. NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates or teaches the unlawful destruction of property, or a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the necessity or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government, because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... MASTER ....., of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ... in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Joh Berg
MASTER Officer.

Sworn to before me this 19 day of Nov, 19 13.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Non-Immigrant status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*.—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*.—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks giving the personal examination of alien arrivals.

Column 8 (*Able to read and write*.—This column is subdivided and contains the following question: "Read what language [or, if exemption be claimed, upon what ground]." In answering this question the language or cause the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*.—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and attention should be correctly pointed out by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or the Islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America (Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place to city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1901, N. Y.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for official notations only.

Column 3. The answer in this column should be expressed in years or months, the latter after fractions of a year of age.

Column 4. Sex.—The entry should be either M. (male) or F. (female).

Column 5. Married or single.—The answer should be M. (married), S. (single), W.d (widowed), or D. (divorced).

Column 6. Calling or occupation.—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien named, as for example: Cook, engineer, physician, carpenter, tailor, farmer, servant, clerk, weaver, painter, etc., and not laborer, gentleman, student, teacher, farmer, or other indefinite description.

A child or minor should be given his father's or mother's occupation, regardless of the amount of money he may have.

A farmer is one who operates a farm, either for himself or for others.

A laborer is one who performs labor of any kind, skilled or unskilled, for others.

A person who has no occupation should be entered as "none."

Column 7. Can read.—The question is whether the alien can read any language or dialect. If he can read and knows the language, the fact should be recorded. If he can read a portion of a sentence to test and knows the language, the fact should be recorded. If alien is unable to read and knows only how the reading requirement is framed, "No" should be given.

Column 8. Nationality.—Question is whether he is a citizen or subject of the country of which alien is a citizen or subject.

Column 9. Race or people.—Use list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as the Bohemian Hebrew race and the country of which he is a native or subject, as Russia, are entirely different, and entries of "Jew" and "German" should not be accepted. Persons coming under the classification "stateless" (persons having severed their allegiance to their former government without acquiring another citizenship) should be entered as "stateless." Persons belonging under the classification "Syrian" should be entered as "Turkish," "Armenian," or "Syrian," according to the country of which they are natives or subjects, as the case may be. Persons belonging under the classification "Hebrew" should be entered as "Hebrew," irrespective of any other nationality. In this column "Polish" should be entered.

CUBAN.

The term "Cuban" refers to those whose people are Caucasian.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

MEXICAN OR CENTRAL AMERICAN.

"Spanish American" refers to the people of Central America, South America, or Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Africa or other countries of the West Indies, Central America, or South America. Any alien who is a mixture of white and African blood should be classified under the preceding.

ITALIAN (NORTHERN).

The people who are native to the Lombardy, Venetian, and Piedmontese districts of Italy. Generally speaking, they are of Gothic descent and speak a Gallic dialect of the Italian language.

ITALIAN (SOUTHERN).

The people who are native to the districts of Italy south of the Papal States. Generally speaking, they are of Latin descent and speak the Italian language.

Column 10. Last permanent residence.—The answer should be the country of which alien is a permanent resident. This is frequently the country of birth, but not always. If alien has resided for a number of years in a country other than that of birth, the former country should be given.

Column 11. Final destination.—The answer should be the place to which alien is destined, as Chicago, Ill., or Detroit, Mich. Mere State destinations are not sufficient.

Column 12. Whether going to join a relative or friend, and if so, what relative or friend; or whether having a ticket through to such place, and if so, whether ticket was paid for by himself or by friend or relative, and if so, what relative or friend.—The manner should always be stated, as paid by [name], or cousin, or friend, and if by what relative or friend, as father, uncle, or friend.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, (Strike out words not necessary) MASTER Chrisoff, of the "Bergensfjord", from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship-company parties should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the passage and examination of aliens aboard.

Column 8 (*Able to read and write*).—This column is divided and contains the following question: "Read what language (or dialect) the alien is able to read, if any?" In answering this question specify the language or dialect the alien is able to read, should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be corrected, if revised by inspectors and registry clerks in charge, in case they do not conform to this rule. Thus, the head of a family who is a native of Scotland, but whose last permanent residence was England, should be recorded as "English" by race or people, and similarly, "French" as regards many Canadians. "Irish" by race or people, and "Scotch" as regards many Scotchmen, although the head of a family may have resided in the United States for many years, should be recorded as "Irish" or "Scotch" by race or people, and not as "American." Persons of the Hebrew race should be recorded as "Hebrew" by race or people, irrespective of the country from which they came, whether Russia, Austria-Hungary, Germany, France, England, Spain, Portugal, Italy, Turkey, Roumania, Greece, Holland, Belgium, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether born in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence for one year should be regarded as permanent residence. The last country in which alien has had permanent residence during one year or more should be the last permanent residence recorded, if alien has had such residence. Temporary residence in a country for business purposes or pleasure, or as a tourist, should not be considered permanent residence. If alien has resided for one year or more in a country other than that of birth, such country should be entered in this column. If alien has been a traveling salesman, actuated by business purposes that ordinarily accompany a comparatively short visit to a country, or has been a student for a limited period in attendance upon a school or university in a country other than that of birth, such country should not be entered in this column. If alien has been in transit through a country other than that of birth, such country should not be entered in this column. If alien has been a bona fide resident of a country for a sufficient length of time to become domiciled therein, such country should be entered in this column. If alien has resided in various countries, the country in which the most time has been spent should be entered in this column. If alien has resided for equal periods in two countries, the country last visited should be entered in this column. If alien has been a resident of the United States and returning from a visit abroad, should be recorded as "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; if outside the United States, the country.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by which passage was paid—as self, husband, father, friend, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should show whether alien, including wife and each child, has in his, her, or its possession or control at the time of landing the value of fifty dollars in money. The answer should give in each case the exact amount possessed, and not merely a statement that the requirement is complied with. Where the several members of a family have varying amounts of money, the answer should show the several amounts shown. Money brought by the head of a family should not be included when the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, Chicago; 1905, Philadelphia.

Column 19 (*Whether coming to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to correction by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax paid.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answers in this column should be expressed in years in months, the latter only in case under 1 year of age.

Column 5. *Sex.*—The words "male" and "female" M. (male), or F. (female).

Column 6. *Married or single.*—The answers should be M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation which aliens or the members of each alien family, not too young to work, pursue, whether professional, skilled, or unskilled, manufacturing, agricultural, or other pursuits, and whether they have any, and if so what, trade or profession. Persons without occupation, such as wives, children, and the aged, should be returned as "none."

A laborer is one who performs work requiring little or no skill.

A farm laborer is one who performs work on a farm, either for himself or for others.

A farmer is one who owns or has a tenant farm, or cultivates land for the purpose of profit.

A servant is one employed to render personal service in the household, and should be so described, if answering for one employed in a hotel or elsewhere, the character of the service rendered should be stated.

Column 8. *Can read and can write.*—These questions are to be answered "Yes" or "No" according to the fact. Under the law, "Every person admitted as a citizen of the United States after the first day of December, nineteen hundred and seven, shall be able to read and write the English language, or if physically unable to read and write such language, shall be able to read and write some one language." Questions 8 and 9 should be construed to mean the ordinary use of written or printed characters by a literate person.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which [illegible] is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The races should show origin or parentage and not place of birth.

Column 11. *Last residence.*—The last residence means home and the answer should be the country in which the alien has his domicile, and not a country in which he has been living or stopping for a short time only. The domicile is the place where a person has his fixed and permanent home and principal establishment, and to which, whenever he is absent, he has the intention of returning. Column 17. *Whether ever in prison or almshouse or supported by charitable institution, and if so, what and when.*—The answers should show whether the alien has been in prison or almshouse or supported by charitable institution within the year next preceding his arrival, and if so, the time and length of such imprisonment or support.

Column 18. *Whether a polygamist.*—The answers should show whether the alien practices polygamy, or is a polygamist, or believes in or advocates polygamy.

Column 19. *Whether an anarchist.*—The answers should show whether the alien believes in or advocates anarchistic principles or is a member of or affiliates with any society or body of persons teaching disbelief in or opposition to organized government.

Column 20. *Whether coming pursuant to previous promise or agreement to furnish labor.*—The answers should show whether the alien has been induced, assisted, encouraged, or solicited to migrate to this country by any offer or promise of employment, whether such offer or promise relates to employment by the person who sends for the alien or by some other person.

Column 21. *Whether a person who has been deported at any time previously.*—The answers should show whether the alien has been deported from the United States at any time previously, and if so, how often and when.

Column 28. *Color of hair and eyes.*—The answers should be expressed in such terms as "light," "dark," "brown," "black," "gray," "blue," "hazel," etc.

Column 29. *Marks of identification.*—The answers should show whether the alien has any visible scars, marks, or tattoo marks, and if so, where they are on the body.

Column 30. *Place of birth.*—The answers should be the country in which the alien was born, and not the country to which he belongs as a citizen or subject.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venezia and Emilia, and their communities, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic variation of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and the communities scattered throughout other countries, should be classed as "Italian (south)."

Column 1. [illegible] Number of alien on list or manifest. The entry should begin with "1" for the first alien on each vessel, and continue with "2," "3," "4," etc., to the end of the list. The number should be written plainly and not too small.

Column 2. Name in full. Enter surname (family name) first, then the Christian name (given name), and middle name or initial, if any. Initials must not be used for Christian names. Surnames should be plainly distinguished, preferably by underscoring or by use of capitals. Titles of honor, as "Count," "Baron," "Mr.," "Mrs.," "Miss," "Dr.," "Rev.," "Hon.," "Prof.," "Lord," "Lady," "Sir," "Hofrath," "Regierungsrath," "Excellenz," "Archduke," "Archduchess," "Duke," "Duchess," "Marquis," "Marchioness," "Count," "Countess," "Baron," "Baroness," "Viscount," "Viscountess," "Chevalier," "Commander," "Knight," "Officer," "Member of Parliament," "Alderman," "Mayor," "Governor," "President," "Chief," "Leader," "Headman," "Sheik," "Colonel," "Captain," "Lieutenant," "Major," "Minister," "Ambassador," "Secretary," "Attaché," "Judge," "Chief Justice," "Commissioner," "Consul," "Vice-Consul," "Consul General," "Commercial Agent," "Physician," "Surgeon," "Professor," "Teacher," "Engineer," "Architect," "Chemist," "Scientist," "Author," "Editor," "Artist," "Actor," "Actress," "Singer," "Clergyman," "Missionary," "Nun," "Student," "Merchant," "Manufacturer," "Broker," "Banker," "Clerk," "Accountant," "Agent," "Contractor," "Builder," "Mason," "Carpenter," "Painter," "Machinist," "Miner," "Foreman," "Overseer," "Farmer," "Planter," "Rancher," "Laborer," "Servant," "Cook," "Waiter," "Housekeeper," "Maid," "Nurse," "Boy," "Girl," "Child," "Infant," "Stockman," "Herder," "Driver," "Peddler," "Gypsy," "Indian," "Chief," "Tribesman," "Squaw," "Papoose," "Scout," "Guide," "Interpreter," "Soldier," "Sailor," "Stowaway," "Deserter," "Prisoner," "Convict," "Exile," "Refugee," "Fugitive," "Colonist," "Settler," "Pioneer," "Miscellaneous," "Unknown," "None," should be entered in full. Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answers should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation (trade, profession, or other means of support) of the passenger. Use such descriptions as "merchant," "engineer," "clerk," "servant," "laborer," "tailor," "seamstress," "housekeeper," "miner," "farmer," "farm laborer," "weaver," "shoemaker," "blacksmith," "carpenter," "mason," "painter," "baker," "butcher," "printer," "bookbinder," "cabinetmaker," "machinist," "engineer," "locomotive engineer," "conductor," "railroad laborer," "railroad foreman," "gardener," "stone cutter," "wood turner," etc., and not merely "manufacturer," "dealer," "trader," "agent," "clerk," "laborer," or "servant" unless absolutely nothing more definite can be ascertained. A child should be returned as "child," and not by an occupation.

A married woman keeping house, no trade to which farmers and farm laborers, regardless of the amount of money she may possess.

A farmer having a home which he operates himself, either for himself or for others.

A farm laborer working on a farm of which he is not the owner or tenant.

Column 8. *Can read?* — Every person 14 years of age and over, physically and mentally able, should be able to read the language or dialect of some country. If the fact is otherwise, the entry should be "No."

Column 9. *Can write?* — Answer as in column 8, except that the ability to write the language or dialect of some country should be required.

Column 10. *Name and complete address of person in country whence alien came.* — The name and complete address of the person whom the alien intended to join at the time of his departure from his last permanent residence should be given in answer to this question. Initials only should not be accepted.

Column 11. *Final destination.* — The answer to this question should be the name of the city, town, or village in the United States where the alien intends to reside permanently or remain temporarily. The name should be as complete as possible. Initials only should not be accepted.

Column 12. *Final destination.* — The answer to this question shall show the intended future permanent residence of the alien, and should be the name of the city, town, or village in the United States where the alien intends to reside permanently. The name should be as complete as possible. Initials only should not be accepted.

Column 14. *Immigrant sent prepaid?* — The entry should show definitely by whom passage was paid, whether by the alien himself, by relatives or friends (stating which), by charitable societies, by States, or by railroads or other corporations (stating which).

Column 15. *Whether in possession of $50 and, if less than $50, how much?* — The amount of money in each case should be stated, whether it be the property of the alien himself or of his family, or of a charitable society, or of a railroad company. Money belonging to the head of a family should be credited to him, and not to the individual members of the family.

Column 16. *Whether ever before in the United States, and if so, when and where?* — The entry should show whether the alien has been in the United States before and, if so, when and where. The year or period of years and place should be given. Pronunciation.

Column 17. *Whether going to join relatives or friends, and if so, what relatives or friends?* — The answer should show whether the alien is going to join either a relative or friend, and if so, what relative or friend, and name and complete address.

Column 18. *Ever in prison, etc.?* — These questions are designed to exclude paupers and persons likely to become public charges, persons who have been in prison, and persons who are mentally or physically defective. If the answer to any of these questions is "Yes," the alien should not be allowed to land without careful investigation. However, no alien should be excluded who has been in prison or has been a pauper if he is not likely to become a public charge, or who is not excluded by any other provision of the law. Mere ignorance on the part of an alien of the fact that he is liable to exclusion will not be accepted as a reason for his admission, the authority for such exception alone should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising most of Piedmont, Lombardy, Venetia, and Emilia, and many immigrants, were classified according to their provinces, or some other definite country, should be classed as "Italian, North." Most of these people speak a Gallic dialect or the Italian language.

If definite information as to the birthplace of the immigrant has been secured, as, for example, Rome, Naples, Palermo, Girgenti, Messina, Catania, Syracuse, Cagliari, Sassari, etc., the name of the province should be entered.

Column 11. *Last permanent residence.* — Not all emigrants have a permanent residence. The first question to be asked in connection with this column is whether the alien has a permanent residence. If he has, the country in which it is situated should be stated. If the alien has no permanent residence, he should be returned as "None." The question is not intended to elicit information as to temporary residences, such as lodging houses, hotels, etc., at which aliens may stay for short periods of time.

Summary of last permanent residence of aliens sailing to permanent residents of the United States and not to permanent residents, by countries.

Column 12. *Final destination.* — The answer to this question shall show the intended future permanent residence of the alien, and should be the name of the city, town, or village in the United States where the alien intends to reside permanently or remain temporarily. The name should be as complete as possible. Initials only should not be accepted. If the alien intends to remain permanently or temporarily somewhere in the United States, the name of the State should be given.

Column 18. *Ever in prison, etc.?* — These questions are designed to exclude paupers and persons likely to become public charges, persons who have been in prison, and persons who are mentally or physically defective. If the answer to any of these questions is "Yes," the alien should not be allowed to land without careful investigation. However, no alien should be excluded who has been in prison or has been a pauper if he is not likely to become a public charge, or who is not excluded by any other provision of the law. Mere ignorance on the part of an alien of the fact that he is liable to exclusion will not be accepted as a reason for his admission, the authority for such exception alone should be given.

I, [illegible], of the ARABIC, from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 7 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of immigrant inspectors only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry must be either M (male), or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, calling, or vocation of each alien so reported, as, for example: Clerk, cook, stenographer, physician, engineer, merchant, miner, laborer, farmer, painter, tailor, tinner, weaver, turner, etc., and not simply as "merchant," "student," "servant," "laborer," or "farmer."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for "day-work" wages or by the month.

Column 8 (*Nationality*).—Each alien should be presumed to be a citizen of the country in which he has his home, unless he states that he is a citizen of some other country. Thus, a person coming from Germany, but stating that he is a Russian subject, should be entered as a native of Russia. Care should be taken that the nationality of each alien is entered in accordance with the following classification, and not by the name of any country not specifically mentioned therein. Any variation from the following classification should be explained in the column for "Remarks."

Column 9 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which the citizen or subject is a native. The nationality of Irish, Scotch, English, and Welsh aliens should be correctly recorded as Irish, Scotch, English, and Welsh, respectively. The nationality of persons coming from the British Provinces of North America should be recorded as Canadian, Canadian (French), Newfoundland, or Nova Scotian, as the case may be. Persons coming from Mexico, Central America, South America, or the West Indies should be described as Mexican, Central American, South American, or West Indian, respectively, and not by the name of any country not specifically mentioned therein. Natives of Germany, Austria-Hungary, Norway, Sweden, Russia, Finland, Turkey, Greece, Italy, Switzerland, Spain, Portugal, China, Japan, Egypt, Arabia, Africa, Australia, New Zealand, Hawaii, and all countries not specifically mentioned in the list of countries printed on this sheet, should be described as natives of the country in which they have their homes. Persons coming from Cuba and Porto Rico should be described as Cuban and Porto Rican, respectively. All people coming from the Kingdom of Great Britain and Ireland should be described as English, Scotch, Welsh, or Irish, according to the country from which they come. All people coming from the Dominion of Canada should be described as Canadian, Canadian (French), Newfoundland, or Nova Scotian, according to the country from which they come. All people coming from the Republic of Mexico should be described as Mexican. All people coming from the Republic of Cuba should be described as Cuban. All people coming from the Republic of Panama should be described as Panamanian. All people coming from the Republic of Haiti should be described as Haitian. All people coming from the Republic of Santo Domingo should be described as Santo Domingan. All people coming from the Republic of Liberia should be described as Liberian. All people coming from the Republic of China should be described as Chinese. All people coming from the Empire of Japan should be described as Japanese. All people coming from the Republic of Korea should be described as Korean. All people coming from the Republic of Siam should be described as Siamese. All people coming from the Republic of Turkey should be described as Turkish. All people coming from the Republic of Greece should be described as Greek. All people coming from the Kingdom of Italy should be described as Italian. All people coming from the Republic of Switzerland should be described as Swiss. All people coming from the Kingdom of Spain should be described as Spanish. All people coming from the Republic of Portugal should be described as Portuguese. All people coming from the Empire of Germany should be described as German. All people coming from the Empire of Austria-Hungary should be described as Austrian, Hungarian, Bohemian, Slovak, Croatian, Slavonian, Dalmatian, Bosnian, Herzegovinian, Transylvanian, Ruthenian, Galician, or Polish, according to the country from which they come. All people coming from the Empire of Russia should be described as Russian, Finn, Lithuanian, Polish, Ruthenian (Russniak), Georgian, Armenian, Esthonian, Lettish, Moravian, Bohemian, Slovak, or Jew, according to the country from which they come. All people coming from the Empire of Norway should be described as Norwegian. All people coming from the Kingdom of Sweden should be described as Swedish. All people coming from the Empire of Japan should be described as Japanese. All people coming from the Empire of Korea should be described as Korean. All people coming from the Kingdom of Siam should be described as Siamese. All people coming from the Republic of Turkey should be described as Turkish. All people coming from the Republic of Greece should be described as Greek. All people coming from the Kingdom of Italy should be described as Italian. All people coming from the Republic of Switzerland should be described as Swiss. All people coming from the Kingdom of Spain should be described as Spanish. All people coming from the Republic of Portugal should be described as Portuguese. All people coming from the Empire of Germany should be described as German. All people coming from the Empire of Austria-Hungary should be described as Austrian, Hungarian, Bohemian, Slovak, Croatian, Slavonian, Dalmatian, Bosnian, Herzegovinian, Transylvanian, Ruthenian, Galician, or Polish, according to the country from which they come. All people coming from the Empire of Russia should be described as Russian, Finn, Lithuanian, Polish, Ruthenian (Russniak), Georgian, Armenian, Esthonian, Lettish, Moravian, Bohemian, Slovak, or Jew, according to the country from which they come. All people coming from the Empire of Norway should be described as Norwegian. All people coming from the Kingdom of Sweden should be described as Swedish.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixture of blood of the African negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy; i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria, and those districts, whether belonging to Austria or Switzerland, known as Trentino, Istria, Dalmatia, Trieste, Fiume, and Gorizia. Natives of Austria-Hungary, or any other country, should be classed as "Austrian" or "Hungarian," etc. Most of these people speak a dialect derived from the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, and Aquila, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those districts passed by Austria to Italy, known as Trentino, Istria, Dalmatia, Trieste, and Gorizia. Natives of Austria-Hungary, or any other country, should be classed as "Austrian" or "Hungarian," etc. Most of these people speak a dialect derived from the Italian language.

Column 11 (*Last permanent residence*).—Each alien should be questioned carefully as to his last permanent residence, and the answer recorded in this column. The last permanent residence should be entered as the country of which the alien is a citizen or subject, unless he has resided therein for a long period of time, and has acquired a permanent residence in some other country, in which case the country of such residence should be entered. The fact that an alien has resided for a short time in a country does not constitute a permanent residence therein. The answer in column 11 should show the country and city or town of last permanent residence, as to be entitled to admission persons that admittedly emigrate to a country other than that of their last permanent residence, or that proceed to a country for temporary residence, and then return to their country of nativity or last permanent residence, are liable to be excluded as "likely to become a public charge."

Column 12 (*Destination*).—Each passenger should be questioned as to the name and address of the friend or relative in the United States and the State or foreign country to which he is going, and the answer recorded in this column. The entry should give name and address of such relative. If no such relative is going, as to native and address of friend.

Column 13. *Final destination*.—The answer to this question should show the intended future permanent residence. As a general rule, an alien should be admitted if he proves that he has the means of reaching his destination. The mere fact that an alien does not intend to remain permanently in the United States does not necessarily debar him from admission. If, however, it appears that an alien is coming to the United States to perform labor of a character entirely temporary, or for a temporary purpose, and that he has no intention of abandoning his foreign residence, he should not be admitted.

Column 14 (*Whether having a ticket to his final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show the particular person by whom passage was paid, as "self (personal funds)," "father," "friend," "employer," "Friend (name and address)," "Steamship company," etc.

Column 16 (*Whether in possession of $50, and by whom furnished*).—As a condition precedent to admission, each alien (not a child under 16 years of age) must have in his possession at least $50 in cash. Money belonging to the wife or minor children should be included among the moneys owned by the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not the alien has been in the United States before, and if so, the year, or period of years, and place, as "1903, New York," "1900–1902, Philadelphia."

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (*etc.*).—These questions are framed to elicit information as to whether the alien belongs to any of the classes excluded by the immigration laws. All aliens, other than those who are entitled to the non-quota visas specified in section 4 (b) of the Immigration Act of May 26, 1924, are subject to the quota limitations. Quota immigrants are admissible only if they are of the proper nationality, have the proper documentation, and are not otherwise inadmissible under the immigration laws. Nonquota immigrants are admissible if they are not otherwise inadmissible under the immigration laws. Quota immigrants who are not admissible under the immigration laws may be temporarily excluded and granted a period of time in which to depart voluntarily from the United States without prejudice to their future admissibility. Quota immigrants who are not admissible under the immigration laws and who are not granted voluntary departure, and nonquota immigrants who are not admissible under the immigration laws, are subject to deportation in accordance with the provisions of law. In the case of any alien who is excluded from admission and deported, such alien may appeal from the decision of the immigration officers to the Secretary of Labor, whose decision is final. Any alien who has been excluded from admission and deported may, within one year from the date of such deportation, be granted permission to reapply for admission by the Secretary of Labor. After the expiration of one year, such alien may be granted permission to reapply for admission upon the certification of the Secretary of Labor that his previous application was not denied because he belonged to any of the excluded classes, or that he is not now excludable from admission under any applicable provision of the immigration laws. The Secretary of Labor has authorized the Commissioner of Immigration at any port to grant permission to reapply for admission to any alien who has been excluded and deported, or who has departed from the United States while under an order of exclusion issued by an immigrant inspector, upon the certification of a medical officer that the alien is not known to be suffering from any contagious disease, a mental defect, or physical defect, being a defect which may affect the ability of the alien to earn a living, unless it is affirmatively shown that such alien has been rehabilitated. Applications for permission to reapply for admission must be filed on Form 638, in duplicate, executed in accordance with the instructions contained thereon. Form 638 may be obtained from any immigrant inspector.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people given to each one.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence, and country of birth, should be carefully noted, for immigrants and resident aliens to that regard. For instance, "France" appears to mean the land of country, does not mean "French," by race or people, and, accordingly, "French" according under this head or race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people may come from the Republic of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" relates to the African Negroes, whether coming from Cuba or other islands of the West Indies, Central or South American Countries, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether coming in from Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether coming in from Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—The last country in which alien resided with the intention of remaining one year or more should be entered. The last country in which alien resided with the intention of remaining one year or more should be entered. Immigrants frequently have had permanent residence established in all of certain countries in Europe. The question in column 11 should show the country and city or town of last permanent residence. It is to enable for statistical purposes that knowledge, and also a knowledge about countries of last permanent residence independent of country of immediate [illegible], country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of less than five years shall not constitute permanent residence. The answer should show definitely the place (city or town, if known) of intended future permanent residence, if within the United States, except it be for the United States.

Column 14. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether any person has paid passage and, if so, whether by himself or by whom.*—The entry should show definitely by which passage was paid, as, for example, "Self," "Father," "Husband," "Friend," "Steamship company," etc.

Column 16. *Whether in possession of $50 and if less than $50.*—The answer should be given in each case by the letter Y (yes) or N (no). The exact amount of money should not be stated. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. *Whether ever before in the United States and if so, when and where.*—The answer should show whether or not alien has been in the United States before and if so, the year or period of years and place, as, 1894, New York, Philadelphia.

Column 18. *Whether going to join relatives or friends and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self-explanatory and the answers, likewise, of others as described are subject to rejection for [illegible] shown in the examination under "Y" column. However, in answering questions 20, 21 where has been deported under the act and [illegible] of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Column 8 (*Able to read and write*).—This column is to be filled in to show answer to the following question: "Read what language (or, if examination is given, what) spoken?" In answering this question the language or dialect the alien speaks or reads should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and questions answered by inspection and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" for race or people, and, similarly, "English" appearing under the head of race or people does not mean "England" for country. An Irish, German, or Hebrew alien is no more English because under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African race, whether coming from Cuba or other West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more will be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of question of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town, if intended future permanent residence, if within the United States, county) of intended residence in the United States.

Column 14 (*If better having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, how much?*).—The answer should give in each case the amount as shown. The head of a family should not be credited with the amount of money shown. Money brought by the head of a family should not be credited to the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year (or period of years), and place, as, 1894 (New York), Philadelphia.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join such a relative or friend, and if so, what relative or friend, with name and complete address.

Questions 20 to 31.—These questions are self-explanatory, and the answers, like all others on the sheet, are entered by reference to the number in the consideration of aliens. However, in answering question 28, if alien has been deported while coming over and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible] Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal operator, stationary engineer, locomotive engineer, mining engineer, brass polisher, glass worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the primary examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is ruled double and contains (last three questions "Read what language (or, if exempt on account physical, what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully framed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien may be a race might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands, the West Indies, North or South America, Europe, or Asia. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or attempted residence at some year should constitute permanent residence. The last country in which alien resided 1 year or more shall be the last permanent residence regardless of length of actual residence thereon. The entry or more shall be the last permanent residence regardless of length of actual residence thereon. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be described "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the *place, city or town* of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16 (*Amount in possession of alien, over or less than $50*).—The answer should give, in each case, the actual or estimate exact money shown. Money brought by the head of a family should not be included in the several residences of the family.

Column 18 (*Whether ever in jail, etc.*).—The entries should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place, as 1894, N. Y., Philadelphia.

Column 19 (*Color, race, nationality*).—The entry should be made as stated by the alien himself, and not as observed by the inspector.

Column 20 (*Going to join relative or friend; if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 21 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to rejection for sufficient reason in the examination of aliens. However, in answering question 21, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 3 (Number in manifest). This column should be supplied in every case, the latter are [illegible]

Column 4 (Class of vessel). The entry should be either M, standing for "Immigrant, Mexican border," or I, standing for "Immigrant, all other."

Column 5 (Nationality). The entry should be given as accurately as possible, the question [illegible] answers as prescribed in the following paragraphs, but regardless of [illegible] the following instructions, [illegible] nationality, a Hebrew should be described as such.

A Jew born in Russia is to be described as a Russian Hebrew, a Jew born in Germany as a German Hebrew, and so forth.

A British subject born in Canada should be described as a Canadian, not as English, Irish, or Scotch.

A native of Ireland who becomes a citizen of the United States should be described as an Irish American.

A native of Wales should be described as a Welshman, not as English.

A native of Scotland should be described as a Scotch, not as British.

A native of Syria, Arabia, Palestine, or Turkey in Asia should be described as a Turk, unless of the Hebrew race, in which case he should be described as a Hebrew.

Column 6 (Race or people).—Question 9 should be construed to mean the ancestry of what is known as a race or people.

Column 7 (Last residence).—See list of races printed on back of this sheet. The entry should show the town or locality in which the alien had his

Column 8 (Destination).—The entry should show the name of the State in the country of which the alien intends to become a resident. It will not be sufficient to state "United States," "America," or "this country," as the case may be, but the name of the State must be given. The entry should not be a State unless the alien has the definite intention of residing permanently in that State. The fact that a ticket is purchased to a certain point is not necessarily indicative of the destination of the alien, as he frequently changes his mind after the purchase of his ticket. Entries should be carefully scrutinized to see that they are responsive to this question.

Column 9 (Whether going to join relative or friend, and if so, what relative or friend).—The answer should be "Yes" or "No," as the case may be. If the answer is "Yes," the name of the relative or friend with whom the alien intends to reside should be given, and also the relationship, if any. If the alien has no relative or friend in the United States, the answer should be "No."

Column 10 (Final destination).—Reference is to be made to the question above concerning the intended permanent residence. The name should be that of a city or town, if possible, and not merely that of a State. If the alien intends to reside in the city of New York, Brooklyn, Manhattan, Bronx, Queens, or Richmond, the name of one of these boroughs should be given as the destination, and not merely New York City.

Column 11 (Has prepaid passage).—Reference is to be made to the question above concerning the ownership of the passage ticket. The entry should be "Yes" or "No," as the case may be. If the passage ticket is owned by the alien, the entry should be "Yes," whether the ticket was purchased in the United States or abroad. If the passage ticket is owned by any person or corporation other than the alien, the entry should be "No."

Column 12 (Has ticket through).—The answer should be either Yes or No.

Column 13 (By whom passage paid).—The entry should show by whom passage was paid, as stated [illegible] Entries of "Himself," "Herself," "Myself," "Self," "Family," "Parents," "Husband," "Wife," "Children," "Friends," "Employer," "Steamship company," "Government of Mexico," "Mexico," "Contract labor," and "Self and [illegible]" should be avoided. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, G. C. Deuter, Master, of the S.S. Santa Luisa, from West Coast of South America, do solemnly, sincerely, and truly (Master, First, or Second Officer) swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 14 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal engineer, Shipyard engineer, Locomotive engineer, Mining engineer, House painter, Wood painter, Iron painter, Wood turner, etc., and not simply as engineer, painter, worker, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make clear distinction on the manifests, and corrections should be made, if necessary, by inspectors and contract clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is self-explanatory and contains the following question: "Can read and write (or can not read and write)?"

"Read what language (or, if exemption is claimed, upon what ground)?"—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the racial peculiarities given in said list.

Special attention should be paid to the distinction between race and the country of which he is citizen or subject; country of last permanent residence and country of birth and nationality should be carefully inquired into by inspectors and contract clerks in each case.

The term "Hebrew" is not a race or people, and, generally, "Hebrew" is entered under the head of no race or people (see testimony of Hebrew alien). An Irish German, or Hebrew alien by race would properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of currency or temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to no city should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, sister, friend, or other person, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be so added as to conceal the amounts brought by the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, Date, 1907, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter appearing under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—This entry should describe as precisely as possible the occupation, trade, or profession of each alien named, as, for example, "coal engineer," "stationary engineer," "locomotive engineer," "mining engineer," "civil engineer," "machinist," "merchant," "clerk," "shoemaker," "tailor," "weaver," "cotton mill operative," "woolen mill operative," "iron worker," "steel worker," etc., and not simply "engineer," "operative," "laborer," "worker," or other indefinite designation.

A laborer is one who operates a farm, either for himself or for others.

A *Farmer* is one owning a farm or working on a farm on his own account.

Students.—Persons going to school should be so described, and children should be given as such, if they are, but babies must not be reported as having "no occupation" or "none."

The language in which the alien can read or write need not be stated. If either is true, the answer should be "Yes." Children under 14 years of age, who cannot read or write, should be reported "No."

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which a person is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which the alien belongs, as Irish, English, Scotch, Italian, German, French, Spanish, Portuguese, Dutch, Flemish, Greek, Russian, Polish, Bohemian, Magyar, Servian, Croatian, Roumanian, Slovak, Lithuanian, Finnish, Turkish, Armenian, Syrian, Japanese, Chinese, Hindu, Mexican, Cuban, West Indian, Scandinavian, Negro, Indian (American), Ethnological subdivisions of the European races should be given, as Highland Scotch, Lowland Scotch, Basque, Asturian, Andalusian, Castilian, Galician, Navarrese, Catalonian, Valencian, Old Castilian, Leonese, Murcian, Aragonese, Balearic Islander, Canarian, Corsican, Sardinian, Sicilian, Tuscan, Neapolitan, Roman, Venetian, Lombard, Piedmontese, Ligurian, Modenese, Parmesan, Emilian, Romagnese, Calabrian, Abruzzese, Apulian, Molise, Basilicata, Transylvanian, Bessarabian, Dalmatian, Croatian, Herzegovinian, Montenegrin, Bosnian, Carpatho-Russian, Ruthenian, Bukowinian, Moravian, Bohemian, Silesian, Galatian, Walloon, Flemish, Frisian, Lapp, Celtic, Basque, Gascon, Breton, Provençal, Norman, Parisian, Alsatian, Lorrainese, Auvergnese, Limousin, Languedocian, Catalan, Savoyard, Dauphinese, Lyonese, Burgundian, Franche-Comtois, Champagnese, Picardy, Artois, Walloon, Flemish, Belgian, Luxemburger, Rhinelander, Westphalian, Hanoverian, Schleswig-Holsteiner, Oldenburger, Mecklenburger, Pomeranian, Brandenburger, Prussian, Saxon, Anhalt, Thuringian, Hessian, Nassau, Hessian, Rhinelander, Palatine, Badenese, Alsatian, Wurtemburger, Bavarian, Austrian, Hungarian, Croatian, Slavonian, Dalmatian, Bosnian, Herzegovinian, Transylvanian, Galician, Bukowinian, Polish, Ruthenian, Moravian, Bohemian, Slovak, Carpatho-Russian, Swiss, Liechtenstein, Luxemburger, Belgian, Flemish, Walloon, Dutch, Frisian, Danish, Norwegian, Swedish, Lapp, Finnish, Esthonian, Lettish, Lithuanian, Russian, Polish, Czech, Slovak, Wendish, Croatian, Slovenian, Servian, Bulgarian, Roumanian, Albanian, Greek, Macedonian, Cretan, Turkish, Armenian, Georgian, Syrian, Arabian, Palestinian, Arabian, Persian, Afghan, Beluchistanian, Hindu, Siamese, Chinese, Japanese, Korean, Philippine, Hawaiian, Indian (American), Negro, Mexican, Cuban, West Indian, Scandinavian, Spanish American, Portuguese, Canadian (French), Canadian (other than French), English, Scotch, Irish, Australian, New Zealander, Tasmanian, Boer, Hottentot, Zulu, Kaffir, Abyssinian, Egyptian, Arabian, Algerian, Tunisian, Tripolitan, Moorish, Riffian, Senegambian, Liberian, Kru, Fanti, Ashanti, Dahomian, Yoruba, Benin, Calabar, Niger Coast, Cameroon, Benguela, Angolese, Congolese, Portuguese East African, Zanzibari, Abyssinian, Madagascan, Hawaiian, Samoan, Tongan

A farm laborer is one who works on a farm for wages paid by another person.

Column 8 (Nationality.)—The nationality of the person mentioned is to be entered, and he must be described as belonging to the country in which he was born, or if his birthplace cannot be ascertained, to the country of which he was last a citizen or subject.

Column 9 (Race or people.)—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

The nationality of a person is usually the country in which he was born, but in the case of an alien who has resided for a number of years in a country other than that of his birth, and has become thoroughly imbued with the characteristics, habits, and customs of the people among whom he has lived, he should be described as belonging to the race or people of the country in which he has resided rather than as a native of the country of his birth. For example, a native of Scotland who has resided in Ireland for many years, and has become imbued with the characteristics of the Irish people, should be described as belonging to the Irish race. In this connection the following provisions should be carefully observed:

CUBAN.

The term "Cuban" refers to the native people and foreigners.

WEST INDIAN.

"West Indian" refers to the people from West Indian Islands other than Cuban or Porto Rican.

MEXICAN OR MEXICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African native races, and to the descendants in the United States, Central or South America, or West Indies of African slaves. This also includes persons of mixed African and other blood if the African race predominates.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy [illegible] of Piedmont, Lombardy, Venetia, and Emilia, and those immigrating therefrom to the United States. Natives (regardless of race) of other countries should be classed as "Italian (north)." Most of these people speak a Gallic dialect and the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of the country of Italy lying south of the [illegible] of Rome, and of Sicily, Sardinia, and the adjacent islands. Natives (regardless of race) of other countries should be classed as "Italian (south)." Most of these people speak a Latin dialect and the Italian language.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Chas. S. Hill, Master, of the S.S. Peronia, from Naples, ..., do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas. S. Hill.
Master Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of the alien at present, as, for example, Coal engineer, stationary engineer, locomotive engineer, machine engineer, brass polisher, steel worker, iron worker, wood turner, etc., and not simply as engineer, polisher, worker, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should guide their agents from the manifests and corrections should be made if necessary, by immigrant inspectors and reported, before allowing the passengers to leave vessels.

Column 8 (*Able to read and write*).—This column is constructed and contains the following question: "Read and language (or, if exemption pleaded, upon what ground)." In answering this question the statements of doubtful aliens should be read aloud. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race as nearly as possible as given and not.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and comments should be considered positive if a mistake is found necessary to call the record. The distinction between apparent race or people and the nationality as shown by passport, if such be presented, should be noted. The latter, especially, should not be accepted as the basis of a correct answer to question. Records by good or possible and, secondly, should not be accepted under the head of race or people alone but must state "Russian" by country. As a rule, Germans or Hebrews can be race considered properly coming under the heading of England, Scotland, or any other country. In this connection the following descriptions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether a native of Cuba or other islands of the West Indies, Central America, Europe, or Africa. Any aliens with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual in an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of such permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year should ordinarily be sufficient. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, parent, father, friend, or other person, friend, steamship company, etc.

Column 17. *If alien in possession of $50 and if less than $50.*—The answer should give in each case the exact amount of money shown. Money brought by the head of a family should not be counted against the several members of the family.

Column 18. *If ever before in the United States and if so, when and where.*—The entry should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1910, Philadelphia.

Column 19. *If going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Questions 20 to 32.—These questions are self-explanatory and the answers, like "Others in the class" are answered by reference to the comments at the beginning of class. However, in answering question 20, if alien has been in United States within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stenographer, engineer, mining engineer, farmer, painter, tailor, seamstress, dressmaker, servant, waiter, clerk, etc. Do not simply say "engineer, painter, dealer, tailor, seamstress, laborer, etc., and not simply as "engineer, painter, dealer, tailor, or other indefinite designations.

A classification should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who performs farm labor for the man who operates it.

Skilled and unskilled labor should be distinguished, and no such indefinite terms as "laborer," "servant," "maid," "man," "woman," "boy," "girl," "child," etc., should be used.

Column 8 (*Able to read and write*).—This column is subdivided into two columns for the following question: "Read what language or dialect."

"Can he (she) write?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be carefully answered. Instructions and forms will be furnished by the Bureau of Immigration upon application in that regard. For instance, "France" appears as one of the head of country (countries) nouns, while "French" by race or people and, similarly, "French" appears as one of the heads of race or people, but does not mean "France" by nationality. An Irish, German, or Hebrew alien, by race or people, is often under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetian and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A word or an abbreviation should be used. The name of the country in which alien has resided one year or more immediately preceding the time of coming to the United States should be given. The last country in which alien resided with the intention of remaining one year or more should be considered the last permanent residence, regardless of length of actual residence thereon. The object in column 11 should show not merely a mail city or town, but the country of last permanent residence. It is important for statistical purposes that should the country of last permanent residence differ from country of birth, the name of the country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded. "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended permanent future residence in the United States should be shown by the name of the State. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, especially if destined for [illegible].

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid (himself, husband, father, brother, or sister, friend, or relative, stating which relative, etc.).

Column 16 (*Whether in possession of $50 and by whom furnished, if less than $50*).—The answer should be yes or no, and should show by whom amount was furnished if less than $50. Money brought by the head of a family should not be classed among the personal effects of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether yes or no, in the United States before, and if so, the year or period of years and place, as [illegible] Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers "Yes" or "No" or others as directed are required to be given by inspection officers at the examination at ports. However, in answering question No. 27 if alien has been deported as such previously under the immigration laws or if Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this Blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port, from a port of an insular possession of the United States, or from a port of continental United States to a port of such insular possession; and from a foreign port, a port of continental United States, or a port of another insular possession.
